*\*full educational objectives available at [www.partnersinterpreting.com](http://www.partnersinterpreting.com)*

### Educational Objectives:

- Identify interaction theories of identity construction that occurs in discourse.
- Appraise their individual language ideologies regarding ASL, English, and interpretation.
- Evaluate their own personal communication style and habits and analyze how they contribute to the final interpreted product.
- Employ strategies and techniques for interpreting when ASL discourse does not mirror the norms of institutional English.
- Assess the level of professionalism demonstrated by their partners during ASL-to-English interpretations.
