

# Your interpreting product is a direct result<sup>of</sup> your process

## FOUNDATIONS II with Betty Colonomos

The second module of the series continues to focus on the theoretical and conceptual base of the *Integrated Model of Interpreting* in a low stress environment. The training provides specific language to discuss interpreting work. Practice opportunities will be provided from English to ASL.

### When?

Friday, August 25 (evening) through  
Sunday, August 27, 2017 (early afternoon)

### Where?

University of Connecticut  
Exact location TBD
